

THE BRIEFCASE

Preliminary Round

The contestants will undergo a screening process prior to the final event that will be held during the E-Summit 2021 organised by E-Cell IIT Hyderabad.

The screening will take place as described below.

1. The screening will be a team event with teams being the same as the participants registered.
2. A Questionnaire will be uploaded on the Dare2Compete portal and the team will be required to solve the questions in it within the given time frame.
3. The Questionnaire will contain some objective questions based on passages as well as some subjective questions based on current affairs of the economic world.

Final Round

The contestants will be assigned a fixed amount of virtual 'money' for investing.

A list of companies along with a brief description of each one of them will be shared. The contestants have to invest their money judiciously with proper 'pragmatic' thinking.

Contestants will be required to explain the reasons behind their choice of companies and the sum of money they choose to invest in the companies. The teams with the best approach towards investing will be victorious.

- 1) Team size: 1-3 persons. (Maximum - 3)
- 2) The teams are supposed to explain reasons for their selection of companies and allotment of funds in the form of a presentation.
- 3) The teams have to present their presentations one at a time before the judges on Zoom which will be followed by questions from the judges. The time limit being 5 minutes for both presentation and questions.
- 4) The judges will award points out of 100 on the basis of presentation and the answers of the team.
- 5) The list of companies with descriptions will be shared with the teams about a week before the actual day of the competition.
- 6) Atleast one of the team-member should be present during the event. Otherwise, the team will be disqualified.
- 7) Teams selected for final presentation round will be required to submit their presentations atleast one day before the event. Late/No submission will attract penalty of 10 points.

- 8) The team with the highest points will be adjudged the winner.
- 9) All decisions related to the competition rest on judges and E-cell IIT Hyderabad
