

CASE STUDY

Prize Allocation

- 1st Prize: Rs. 7000
- 2nd Prize: Rs. 3000

Description

Case studies are one of the best teaching tools for enhancing and testing practical knowledge. It asks for a detailed analysis of a market situation or any organization or a similar group, and the participants are required to use their problem solving skills to rectify the complications in it.

Date & Time: TBA

Team size: Maximum of 3 people(i.e can be 1 or 2 also)

Procedure For Participating

1. Register for the competition on **Dare2Compete (link)**.
2. Fill the form given on the website. You are now eligible for participating in the pre-competition (No fee).(link to the pre-competition quiz)
3. Based on your performance in the pre-competition, if you are selected you will be informed directly via call or email.
4. You will have to pay the competition fee and register for the main competition through the link that will be given to you (if you are selected).
5. You may be eligible for free participation in the competition if your performance is outstanding in the pre-competition. This will be a very exceptional case.

Pre-competition specific rules

1. It will be a short quiz on **Dare2Compete**.
2. The questions will be both objective and subjective.
3. You will have to fill your responses within 20 minutes.

Final competition rule

1. The theme/topic for the case study will be announced beforehand (two to three weeks before the final presentation). Each team will get sufficient research time to prepare a presentation on the given theme. A google form will be shared with the team, where the presenta has to be uploaded.

2. It is compulsory for at least one of the team members to be present during the presentation. If this criterion is not fulfilled, the team will be disqualified.
3. All teams will present their solutions on the specified topic one by one at the assigned time slots.
4. Each team will get a maximum of 5 minutes starting their time slot, to present their solutions(presentations). Exceeding the time limit will lead to negative marking.
5. No presentation should contain more than 12 content slides and maximum 3 extra slides(i.e intro, contributions and other extra slides).
6. After each presentation, there will be a Q&A session, where the judges will ask a couple of questions to check your understanding on the given theme.
7. Distribution of points:
 - 40 percent : Based on the quality of the content in your presentation.
 - 30 percent : Based on the way the topic is presented before the jury
 - 30 percent : Based on the responses of the Q&A session
8. The team with the highest points will be adjudged the winner.
9. All the decisions related to the competition rest on the judges and E-Cell IIT Hyderabad.
